

# Fast Facts: Arizona Rural Recruitment and Retention Network

The primary goal of the **Arizona Rural Recruitment and Retention Network (Az3RNet)** initiative is to support the matching of healthcare professionals with rural and underserved positions in Arizona healthcare facilities. AzCRH oversees the Arizona’s 3RNet program in partnership with the Arizona Department of Health Services, Health Systems Development, and the Arizona Alliance for Community Health Centers.

## Az3RNET SERVICES

Az3RNet services are primarily coordinated with the National Rural Recruitment & Retention Network, through the [www.3rnet.org](http://www.3rnet.org) website. By contacting the AzCRH, community health centers, hospitals, private practices, and community-based organizations can post job vacancies that can be easily accessed by candidates seeking employment. This is a free service, providing national exposure for recruitment efforts.

### Posting jobs on [Arizona’s 3RNet site](http://www.3rnet.org):

#### 1. Application and Approval

Complete an employer registration form at [www.3rnet.org/employer-registration](http://www.3rnet.org/employer-registration). The Az3RNet program reviews completed employer registration applications and will either approve or deny your application based on our state criteria. You will be automatically notified via email, and if approved, jobs can be posted immediately.

#### 2. Post Jobs

Why 3RNet? Gain access to: Over 46,000 actively registered candidates (we don’t make cold calls – every candidate has chosen to sign up with 3RNet) and hundreds of new candidates register each month.

#### 3. Get Resources & Results
