Project Arizona Rural Opioid Response Implementation (AzRORI) and Opioid Response Network (ORN) Presents

Advancing Racial Equity Training Series
Hosted virtually on Zoom

Advancing Racial Equity Training Series: Systemic Racism and Substance Use Disorder: Anti-Racist Strategies

July 28, 2022 | 12:00 to 1:00 p.m. (AzTime)

Highly recommended pre-recorded 65–75-minute training will be distributed around July 11, 2022, or upon registration whichever comes first.

Register Here!

2 CME/CEU, 1 Spark DEI credit hour has been applied for this training session

Topics covered:
1. Assess how systems of oppression and privilege impact substance use disorder (SUD) treatment delivery.
2. Describe Hay’s ADDRESSING model and assess the implications for your professional life.
3. Analyze real world implications of structural racism for people in recovery.

Speakers:

Opioid Response Network: Nicole M. Augustine, MPH; Lawrence Bryant, Ph.D.; Laurie Johnson-Wade, CRS; Troy Montserrat-Gonzales, LPC; Deena M. Murphy, Ph.D.

The American Academy of Family Physicians (AAFP) has reviewed Advancing Racial Equity Training Series (series and enduring material) and deemed it acceptable for AAFP credit. Term of approval is from 06/15/2022 to 06/15/2023. Physicians should claim only the credit commensurate with the extent of their participation in the activity. This training meets the requirements for the California Board of Registered Nurses. Accreditation from the National Association of Social Workers is under review.

This program is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) as part of an award totaling $1,000,000. The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by HRSA, HHS or the U.S. Government.

Funding for this initiative was made possible (in part) by grant no. 1H79TI083343 from SAMHSA. The views expressed in written conference materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services; nor does mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government.
