NEW MAT PROVIDERS
- “I am very grateful to have had the opportunity to meet and learn from a professional mentor in the program. My mentor was driven and extremely passionate about the program, which in turn motivated me. Our sessions were informative, reassuring, and helped me build confidence within myself as it pertains to being a MAT provider.”
- “The most valuable thing for me I learned from the AzMAT Mentor Program is that now I have a direct line of communication with another MAT physician whom I can contact any time I need help or support with patient treatment decisions.”
