

SPRING 2025 COURSE ANNOUNCEMENT:

HPS 597A Family and Child Health in Urban Settings

Community: Tucson and Southern Arizona

Explore current health and social policy and programs affecting families and children as you are immersed in the diverse organizations and communities that reflect the US-Mexico borderlands.

1 credit, First 7-week session
January 13 – March 7 2025

Instructional Team: Bryna Koch,
Jennifer Peters

Dig deep into the connections between Food, Equity, and Family Health

In this course we:

- *Consider* complex issues related to the health and wellbeing of families and children in our local and regional communities.
- *Engage* and work with individuals and readings related to the intersection of health, food systems, neighborhood empowerment & climate change.
- *Integrate* fundamentals of food security and labor dynamics with social determinants of health.
- *Develop* skills to build effective community partnerships capable of achieving social change.
- *Reflect* on our roles as public health professionals.
