- Gain the latest information about any new governmental administrative rulings that impact rural health care along with positions taken by NRHA

Improving Access to Quality Medical Care
The practice and delivery of healthcare is changing with an emphasis on improving quality, safety, efficiency, & access to care. Telemedicine can help you achieve these goals! The Arizona Telemedicine Program, Southwest Telehealth Resource Center, Arizona Center for Rural Health and the Arizona Rural Health Association invite you to a free webinar on the implementation and practice of telemedicine.

This webinar is made possible through funding provided by Health Resources and Services Administration, Office for the Advancement of Telehealth
