

CAH - Critical Access Hospital Coding, & Billing Bootcamp

BECOME A CRITICAL ACCESS HOSPITAL CODING & BILLING SPECIALIST (CAH-CBS)

This Coding and Billing for Critical Access Hospitals series describes what revenue cycle, coding, and billing staff in CAHs need to know about their clinical documentation, professional coding, and medical billing processes. This series will provide a thorough overview of the coding and billing processes in a CAH.

We will describe the key activities and common issues that affect all members of the CAH workforce related to CPT, HCPCS-II, and ICD-10-CM coding and billing with a focus on their impact on revenue, facility mission, population and public health reporting.
