**Workshop Objective:**

*Participants will continue to build upon basic and intermediate concepts related to trauma program management through didactic and experiential sessions related to: ongoing performance improvement and patient safety (PIPS) programming and injury care optimization.*

**Workshop Purpose Statement:**

*Trauma Programs are required to have an effective Performance Improvement (PI) plan in place to assist in the delivery of trauma care and injury prevention activities. In accordance with the 2015 Arizona Trauma Plan Priorities, the 2018 Trauma Managers' Workgroup series will focus on building proficiency in trauma program PI, trauma program operations, and injury prevention strategies.*
