

2023 Arizona Center for Rural Health Spring Webinar Series

A webinar series focused on providing technical assistance to rural stakeholders to disseminate research findings, policy updates, best-practices and other rural health issues to statewide rural partners and stakeholders throughout the state.

Will Humble

Executive Director, Arizona Public Health Association

Tons of Public Health Authority Was Lost to Preemption in 2022: Is a Claw-back Possible?

February 16th, 2023
12:00 - 1:00 pm

Learning Objectives

- ▶ Identify 3 new ways local public health authority has been preempted by state laws.
- ▶ Describe how the current and future governors will have less public health emergency authority compared with that enjoyed by the governor and ADHS director during the COVID-19 public health emergency.
- ▶ Be able to provide a status update of bills affecting public health authority that have been introduced during the 2023 legislative session.

Will Humble is a long-time public health enthusiast and is currently the Executive Director for the Arizona Public Health Association (AzPHA). His 40 years in public health include more than 2 decades at the Arizona Department of Health Services, where he served in various roles including as the Director from 2009 to 2015. He continues to be involved in health policy in his role as the Executive Director for the AZPHA. Will is a believer in using evidence-based health policy to improve health outcomes and in leading and managing with emotional intelligence. Follow him on Twitter @willhumble_az
