

2024 ARIZONA CENTER FOR RURAL HEALTH WEBINAR SERIES

A webinar series focused on providing technical assistance to rural stakeholders to disseminate research findings, policy updates, best-practices and other rural *health issues to statewide rural partners and stakeholders throughout the state.*

THE UNIVERSITY OF ARIZONA
MEL & ENID ZUCKERMAN COLLEGE OF PUBLIC HEALTH
Center for Rural Health

Telehealth Awareness Week

Thursday, September 19, 2024

12:00 - 1:00 pm MST

Connecting Communities: Telehealth as a Tool for Equity

[REGISTER](#)

Learning objectives:

- ▶ Identify how telehealth has improved health equity
- ▶ Explain what is needed to escalate the success beyond broadband expansion
- ▶ Identify actions to fulfill those expansion needs

DR. LOIS RITTER is the Research Director at the American Telemedicine Association. She has worked telehealth and public health regional and national studies, many of which were in rural regions. For these research projects she developed and implemented studies, analyzed the data, and disseminated the findings. These studies have included working with diverse stakeholders in varied cultural, political, geographic, and social context. She has a doctorate degree, three master's degrees, and several certifications. Dr. Ritter is a published author, including her award-winning textbook, *Multicultural Health*. She has presented at regional, national, and international conferences.
