Microsoft Rural Health Resiliency Program Overview

Learning objectives:

- ▶ Key Challenges and risks for rural health organizations
- ▶ Drivers and determinants of risk
- ▶ Practical recommendations to bolster cyber resiliency

Michelle Mora is a Program Manager for Rural Health Resiliency at Microsoft Philanthropies, leading initiatives to enhance cybersecurity and AI innovation for rural health. With over 10 years of experience managing social impact projects, she collaborates with partners to improve healthcare delivery and resilience. Michelle holds a MA in International Economics and International Relations from Johns Hopkins (SAIS) and a BA in Psychology and Political Science from the University of Illinois at Champaign-Urbana. Originally from Lincoln, Illinois, she now resides in Miami, FL with her husband and two daughters.
