## **SPONSOR PACKET**

This project and the Pima County Community Prevention Coalition are funded in part by the Arizona Governor's Office of Youth, Faith and Family Parents Commission Grant, and the US Dept. of Health and Human Services Substance Abuse Mental Health Service Administration Drug Free Communities Support Program, through Portable Practical Educational Preparation (PPEP), Inc.

## Statement of Purpose

Provide education and awareness about opioid and other substance misuse and explore effective trauma-informed prevention, intervention, harm reduction, and treatment.

## Learning Objectives

**First Responders, Community Based Organizations, and Schools:** Identifying how medical and behavioral health community and cross-sector partnerships in Southern Arizona are addressing the Opioid and Substance Misuse problems among youth and underserved communities.

**Stigma Reduction:** Recognizing evidence-based strategies and best practices used in Southern Arizona to reduce stigma that is associated with substance misuse and addiction.

**Recovery Warriors:** Highlighting using their lived experience to shape systemic change, policies, and programming around substance use disorder.

**Evidence-based Practices:** Presenting how strategies are working in the battle against Substance and Opioid misuse.

**Making an Impact:** Exploring approaches of effective strategies being used and provide support and services for people and their families impacted by substance misuse.

**The Truth and Nothing but the Truth:** Sharing the latest evidence about the effects of youth trauma and toxic stress.

**A Rising Tide Lifts All Ships:** Looking at how substance misuse policies impact our most disenfranchised communities.
