Re: Internship Advertisements

Thank you for your interest in serving as a site supervisor for a College of Public Health student. Attached is a template for advertising your internship project on the College’s website. By following this template and filling in the information requested in the italicized print, you will have the best chance of locating an appropriate intern for your project. Please refrain from using graphics in the body of your advertisement because they will not translate into our webpage format and must be removed. You are welcome to insert the logo for your organization at the top of the first page if you wish for that to appear on your advertisement.

If you have an interest in recruiting students who are pursuing a Bachelor of Science with a major in Public Health, please send the advertisement to Stephanie Springer, the Director for Undergraduate Advising, at stephks@email.arizona.edu.

If you are interested in Master of Public Health students, please send the advertisement to Tanya Nemec, the MPH Program Coordinator at tjemec7@email.arizona.edu.

Your agency’s internship project will be advertised to the appropriate students on the website as soon as it is received and reviewed. Should there be any questions about the project, we will contact you.

Thank you very much for your interest in and support of the students of the College of Public Health!
Organization Name:
Arizona Center for Rural Health (AzCRH), University of Arizona College of Public Health.

Organization Background:
The Arizona Center for Rural Health serves Arizona through its core mission to improve the health and wellness of Arizona’s rural and underserved populations. It houses programs including the State Office of Rural Health (AzSORH,) the Rural Hospital Flexibility Program (AzFlex), the Small Rural Hospital Improvement Program (AzSHIP), Western Region Public Health Training Center (WRPHTC), AzCRH Navigator Consortium and Students Helping Arizona Register Everyone (SHARE). The Arizona Center for Rural Health was established in 1981. AzCRH works with and provides technical assistance to rural health clinics, critical access hospitals, rural non-profits and other statewide and national partners to bring resources to rural populations.

Internship Project Title
AzCRH Health Insurance Training Intern

Project Description:
The AzCRH Health Insurance Training Intern will help the Center coordinate, evaluate, and improve education and evaluation content for Students Helping Arizona Register Everyone (Project SHARE), a student group that trains health professional students about health insurance coverage basics and resources. The intern will train as a Certified and Licensed Navigator, coordinate logistics for Fall student cohort in-class and online trainings, host enrollment offices hours at UA Health Sciences-Phx at least once weekly, track student hours worked, coordinate outreach, education, and enrollment opportunities with Pima/Maricopa County partners, present Health Insurance 101’s, offer continued troubleshooting support to SHARE, work with the AzCRH Special Projects Coordinator (SHARE supervisor), and help recruit Leaders for FY18-19. Activities can also include participating in community events and meetings with AzCRH staff, assisting with other AzCRH programs, preparing publishable documents, and other duties as assigned. Excellent written and verbal skills are mandatory. Other involved departments may include College of Medicine and any of the University of Arizona Health Sciences, Cover Arizona, Arizona Alliance for Community Health Centers, Vitalyst Health Foundation, Keogh Health Connection, and others.
